Introduction

The Direct Assessment (DA) exam is designed to assess whether a candidate has the requisite knowledge, skills, and abilities (KSA) that a minimally qualified person responsible for implementation or management of an integrity program for a pipeline system must possess.

Exam Name	AMPP Direct Assessment (DA) Exam
Time	1.5 Hours (90 minutes)
Number of Questions	50
Format	Live Online Remote Proctoring (Examity*)
Passing Score	Pass or Fail

**Delivered through Examity, NOT AT Pearson Testing Center*

Target Audience

Direct Assessment (DA) benefits individuals responsible for implementation and/or management of an integrity program for a pipeline system with an emphasis on integrity verification and maintenance optimization.

Candidates who may successfully complete the DA course and exam are able to describe DA and the relationship to an overall pipeline corrosion integrity management program, recognize the benefits and limitations of DA, recall standards related to DA, differentiate DA from other pipeline integrity methods, perform quality assurance, establish corrosion rates, explain responsibilities of the operator and/or service provider, categorize the DA phases, and recognize the different types of DA.
